

A home gym that *belongs in your home.*

Wood-finished fitness equipment and expressive wall finishes, curated and sourced by Amadeus Interiors.

DUNE / OAK + BEIGE TRAVERTINO

A light, warm direction for a private workout corner. Room image is a concept visualization; final models and finishes are confirmed in your proposal.

First group pre-order: pricing coming soon. Join the interest list for a personal quote. No payment or purchase commitment today.

Same ritual. *A different atmosphere.*

NOCTURNE / WALNUT + DARK GREY STARMOON

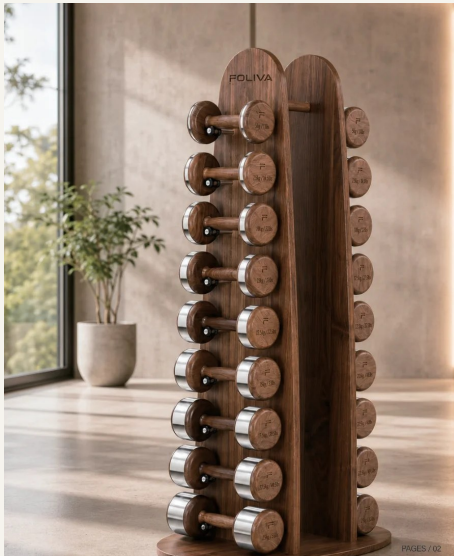

Rich wood tones and textured dark walls create a more intimate training space. Choose equipment, wall finishes, or a coordinated room.

Wall finishes are flexible decorative stone panels, not conventional paper wallpaper. Panel formats, samples, installation requirements, and availability are confirmed before ordering.

Concept visualization. Decor and room construction are not included.

Strength, thoughtfully placed.

A focused edit for everyday strength and a room that feels considered.

Real wood. Individual character.

Natural color variation

Sapwood

Natural knots

Natural color variation, sapwood, and natural knots are inherent characteristics of solid wood and are not considered quality defects. Grain and tone vary between pieces. Lighting and screen settings may also affect color. Report damage or functional concerns separately.

Independent sourcing. Shared buying power.

Amadeus Interiors is an independent sourcing business, not a manufacturer. We curate equipment and wall finishes from manufacturing partners.

Our first group pre-order brings customer orders together to seek better volume pricing and share international freight costs. Savings depend on the final order mix and volume. Domestic delivery is quoted separately.
